

TWO YEARS, COUNTLESS SMILES

We completed two years of existence on 5th March 2026 and with gratitude we look back on the beautiful journey we have had so far. This has been two years of hope, growth and impact.

THE TEAM & PARTNERS

NewMorning Trust continued its journey of supporting the less privileged children and adolescents through Counselling, Life Skills training, Emotional Wellbeing sessions and Career Guidance. We spread our wings further and reached out to many more adolescents and young adults making meaningful impact.
